Buyers Always Make Money On Their Abingdon Purchases

Over 700 different buyers are willing to attest that they have made profitable purchases in "The Sale of Satisfied Buyers." Ernest E. Johnson, Berwick, Ill., is one of them. His herd, made up largely of cattle purchased in the Abingdon Sales, is shown in this picture.

Buy Now and Do Your Part to Supply the Beef and Milk Needed by Our Fighting Forces —

The Army, the Navy, the Marines, our civilians and the civilians and armed forces of our Allies all require food. The most effective food with which to strengthen fighting men and to build civilian morale is **meat**, especially beef. The most effective cattle in the production of beef are Shorthorns.

Consignors to the "Sale of Satisfied Buyers" realize the truth of the above statements and are determined that they will do their full share toward supplying good beef in ever increasing quantities. Shorthorns have an inherited ability to utilize feed and forage more economically than cattle of any other breed. They grow faster, mature earlier and weigh more at the same age and on the same rations than cattle of other breeds.

The better the Shorthorns, the more economy in rearing and feeding them. So the consignors to this sale have listed cattle of high quality and profitable type. They are the sort that intelligent, patriotic farmers and breeders need for producing more and better ox meat for the needs of the civilized world.

The reputation of the Abingdon, Illinois sales will be maintained by this Annual Season-end Auction Sale on Friday, June 18, 1943 when these thirty-one impressive young bulls and fifty-four attractive cows and heifers will be distributed to buyers who will have the double gratification of helping to supply the world's needs and of making a profit for themselves. Once more Abingdon will be known as the site of THE SALE OF SATISFIED BUYERS.

Klaymor Geologist

Klaymor Geologist — This is the best bull we have ever consigned to an Abingdon sale and we have topped several of them. He is an outstanding dark red in color, with a lot of bone and smoothness of flesh. You will like his depth of body and shortness of leg. Here is a real herd bull and he is bred well enough to head any pure-bred herd in the country. His dam, an imported cow, is one of the best females in the famous Klaymor herd and his sire is the great breeding bull, Klaymor Direct. We are proud to offer this bull in the Abingdon sale.

This grand young cow has a very good roan 2 year old daughter in the sale that will sell with a heifer calf at foot by Helfred Sunlight. Haylands Missie 28th will sell in this sale with a red bull calf at foot, born April 5, 1943 and sired by Roble Neptune. The cow is a very heavy milker and is offered in moderate flesh but the pair should constitute one of the best buys of the year.

Here are just a few features of this sale—

The nine females and three bulls consigned by the veteran breeder **Alfred J. Ryden** constitute a complete dispersion of this small but very select herd. This is a royally bred group that will more than meet the expectations of buyers.

Marellbar Farms are consigning three outstanding herd bull prospects; seven grand two and three year old heifers that are right up to calving and two beautiful open heifers . . . a top collection for any sale.

Ed-Ru Farms are selling four choice heifers in calf to Ed-Ru Command, one open heifer sired by Ed-Ru Command and a bull calf by Klaymor Commodore.

Four wonderful females were literally drafted from the strong **Arnold Bros.'** herd. One is a red Broadhooks cow with a roan bull calf at foot by Imp. Cruggleton Achtoi and another is a red show heifer sired by Sheik of Leveldale and bred to a son of Imp. Cruggleton Achtoi.

Leo Duer is selling eight cows and a heifer. One cow has a calf at foot and six others are right up to calving.

You will find a lot of the blood of Imp. Collynie Royal Barrage in this sale.

Every prominent Scotch family is represented . . . it's the best bred offering ever assembled for an Abingdon Sale.

Clara of Ed-Ru 2d is the first calf sired by Ed-Ru Command and is the best heifer ever consigned to a sale by Ed-Ru Farm. She is dark red, short of leg, thick in every way and has as good a female head as one could ask for on a heifer of this age. She has that smooth characteristic appeal that is so noticeable in her sire, an asset every one likes. We realize this heifer is a little young, but we are consigning her in order that the buyers of bred heifers can get some idea of the kind of calves to expect out of their matings to Ed-Ru Command. We feel justified in making this statement because his calves have been remarkably uniform in type and quality.

Edellyn Command 2,000,000 by the noted Calrossie Command and one of the chief stock bulls at Edellyn Farms. His son, Ed-Ru Command is proving a great sire in the herd of Leslie Young. This sale will contain one heifer sired by Ed-Ru Command and four other females that are heavy in calf to his service.

Sheik of Leveldale. A beautiful red show heifer sired by this International grand champion and out of a dam by the International grand champion Gainford Marshal is being consigned to this sale as an attraction by Arnold Bros. She is in calf since December 19, 1942 to Achtoi's Signet, the best son of Imp. Cruggleton Achtoi. See Lot 57.

Crimson Blossom A—We are consigning this heifer as an attraction. Look at her breeding — the first two sires! Both were grand champion bulls at the International Live Stock Show. This heifer has an excellent head, is deep, thick and compact, well fleshed, and is very short legged. Here is a beautiful foundation female, royally bred and good from end to end. She is in calf since Dec. 19th, 1942 to Achtoi's Signet, an outstanding son of Cruggleton Achtoi.

Here are a few more features of this sale—

Of the 54 females, 41 of them are right up to profit for the buyers. Fourteen cows have their calves at foot; 15 other cows will have calves soon after the sale; and 12 grand young heifers are well forward in calf. Then there are 13 very choice open heifers for those men who want outstanding females to breed to their own herd bulls. Every one of the females is a member of a strong Scotch family. None of them are overfitted, but all are in thrifty working condition. Never have a more beautifully bred lot of females been offered at Abingdon.

There will be 20 bulls that are of serviceable age or approaching it. Ten other bull calves will grow into real money for their owners. There will be top herd bulls for critical breeders and good commercial bulls for the farmer or rancher. **This sale provides outstanding buying opportunities.** These opportunities are not rationed. Take advantage of them!
